Do not expect to have the time or energy for a social life except on your days off (when you will probably want to take it easy). Monteverde is a beautiful rural town with an extremely limited nightlife. You will be able to participate in some tourist activities with program participants.
- This program has a zero tolerance policy for illegal drugs and other illegal activity at all times during the course of the program. Violation of this policy will result in immediate dismissal from your position. We also have a strict policy surrounding the appropriate and responsible consumption of alcohol.
